

Deadline date
January 31, 2025

Sponsored by:
Wisconsin State Firefighters Association

Eligibility Requirements

- Grades kindergarten through eighth are eligible.
- All entries must be original and drawn free hand. Traced, stenciled or laminated entries will be disqualified or returned.
- Posters are on white poster paper.
- Posters must be 11"x17" or 12"x18".
- No identification of any sort, designating city, fire department etc. will be allowed on the front of the pictures.
- Place a **TYPEWRITTEN** sticker on the back of each poster with the following information:
Student name, grade level, address, and telephone #
School name, address, and telephone #.
Sponsoring Fire Dept. name, address, and telephone #

Participating member departments each hold their own contest, judge those entries from kindergarten through 8th grade and submit **the first-place winner for each grade level** to the WSFA office.

Only one poster per each grade level from a school or fire department will be accepted. Multiple entries per grade will disqualify all entries, even if a school has more than one class at a specific grade level.

The posters will be displayed and judged by the membership at the WSFA convention March 6-8, 2025 at the Madison Marriott in Middleton, WI.

Winners will be selected based on originality and their understanding of fire prevention strategies with votes being cast by attendees of the convention.

This year's slogan:

“Smoke Alarms: Make Them Work for You.”

Mail Entries to: **WSFA**
