The following information should be submitted in letter form to support nomination and establish point system no later than January 6, 2023.

- Other positions held in, or jobs done for fire department (maintenance, treasurer, etc).
- Describe nominee's significance to your department and community.
- Describe nominee's participation in other organizations, (ie. American Legion, Lions, City Council, Chamber of Commerce, church, etc.).
- Describe specific accomplishments and any awards given to nominee over the course of their lifetime. (This section will represent a large portion of the scoring).
- Include at least three testimonial letters (at least one from the fire service and at least two from outside the fire service).

This is an award presented each year; nominees not chosen will be eligible to be re-nominated in subsequent years.

This is a lifetime award, not an "of the year" award.

Winner will be selected through a point system; highest number of points is the winner.
Award Presented at the Annual Convention in March 2023. Application deadline January 6, 2023.
